

TEMPORARY/PERMANENT POWER AFFIDAVIT

Gulf County, Florida

I _____ the electrical contractor and _____ the general contractor agree to accept all responsibility to have temp/perm power turned on at _____, permit # _____. By signing the affidavit all electrical wires and systems must be terminated in a safe manner approved by the Building Official. At any time prior to the issuance of a Certificate of Occupancy, we authorize the county to have power disconnected to the building, or premises located above.

NOTES:

1. The electrical wiring in the structure must be installed and inspected per Florida Building Codes.
2. All sub panels and disconnects must be installed and labeled with covers in place.
3. All breakers must be installed with wiring connected and labeled.
4. All switches and outlets must be installed or made safe.
5. Any other wiring must be made safe and secured in a junction box.
6. The correct 911 address numbers (four (4) inches or larger) must be posted on the structure in a conspicuous place.
